

The New, Low Prices Are Here! *Moe Levy*

We're down to bed-rock--Moe Levy leads the way to clothing prices that mean BUY NOW!

HERE are Moe Levy's Fall Suits and Topcoats—here at a price fully one-third lower than any other store in town. We produce all our own clothes day by day, and not a full season ahead. We are making clothes from woollens, linings, trimmings, etc., bought at *to-day's* prices—the garments are priced in proportion when placed on sale.

OUR clothes are the product of over 35 years' experience—that insures clothing perfection—if clothes could be made any better we'd be the first to do it. *We can afford to sell for one-third less* because we produce all our own clothes—our three stores are in low rent locations—our enormous volume of business permits a smaller margin of profit.
